Our Adoption Process

Planning & Preparation

The ELA department alongside TNTP (The New Teacher Project) have established a partnership to strategically and purposefully select a new ELA Curriculum. This year-long process has skillfully prepared District leadership, curriculum writers and teachers to execute curricular changes that align with our ELA vision.

Who is TNTP?

TNTP counsels education leaders on how to approach questions of educational quality, from navigating and supporting instructional practices to engaging community members and communicating a District vision. TNTP maintains a focus on student engagement, rigorous academics and teacher development. By advancing policies and practices that ensure effective teaching in every classroom, TNTP alongside District leadership have developed a culture of support, cohesiveness and equity.

4

Roadmap to Curriculum Adoption

We conducted a curriculum audit alongside TNTP during the Fall of 2021

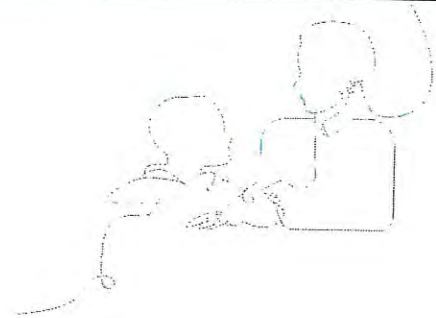

Created an ELA task force comprised of various stakeholders to review and write curriculum

Carefully vetted several curricular programs. Our ELA Task force selected HMH: Into Literature

Evaluated feedback from school visits throughout the 22-23 school year

Began aligning our ELA Vision to review HS curricular programs

Exposure to new curriculum via demo access, professional development sessions & PLC's

What distinguishes HMH from other curriculum programs?

- **Authentic Literature for Today's Classrooms**

With diverse, [culturally relevant texts](#) that connect with students' lives, the HMH Into Literature curriculum builds confidence, standards mastery, and college and career readiness for every learner in the classroom

- **Exclusive Texts by Diverse Authors**
