13. New and Unfinished Business:

Commissioner Miller –I would like for it to be noted as a point of information that our School Business Administrator is doing an extraordinary job. Mr. Lomski has a great team working alongside with him. Currently his demands are overwhelming and he and his team are handling them with grace and diploma. It is in the interest of the district that we hire an Assistant B.A. which was previously approved in the budget of the Assistant B.A. This is just a point of information that we will be posting the position.
