The success of our Passaic Public Schools is dependent upon the contributions and hard work of everybody doing their best to make our District one of the best school systems in New Jersey. The badge can be displayed on their letterhead and school website.</p> <p>PBSIS is an evidence-based, tiered framework for supporting students’ behavioral, academic, social, emotional, and mental health. When implemented with fidelity, PBSIS improves social-emotional competence, academic success, and school climate. It also enhances teachers’ health and well-being. It is a way to create positive, predictable, equitable, and safe learning environments where everyone thrives.</p> <div style="text-align: center;">  <p>The diagram on the left shows a Venn diagram with three overlapping circles: 'SYSTEMS' (pink), 'EQUITY' (purple), and 'PRACTICES' (blue). The intersection of all three is labeled 'OUTCOMES'. The intersection of 'SYSTEMS' and 'EQUITY' is labeled 'DATA'. The intersection of 'EQUITY' and 'PRACTICES' is labeled 'OUTCOMES'.
