Did you know that over 4,500 people in the U.S. drown each year – ages 1 to 75! We will be looking at our curricula to see where we can engage our scholars in these critically important conversations... We were also able to meet the new CEO, Dr. Brown.

3.	August 7, 2024 – The Operations Committee conducted walk-throughs at Schools #3 and #6 this week. There is a great deal of work (ESSER contracts) being conducted at those schools. There are not summer programs currently in place at these buildings.
4.	The SDA environmental team met with the district as a follow-up to the June walk-through. They will be conducting sample testing beginning next Thursday and Friday at PHS. They will not be in the way of students.....

3.	A “School Starts on September 5 <sup>th</sup> ” message was posted on our social media sites this week. A link for parents that have questions or concerns was a part of the message and the link is also on our website. Materials have been ordered, Professional Development has been provided to teachers.
