Dear Parents and Guardians,

Students in grades K-12 will participate in the MAP winter assessment beginning January 9th through January 18, 2023. Scores from this assessment and/or the New Jersey Student Learning Assessments (NJSLA) will be used as part of the application process if your child applies to Passaic Gifted and Talented Academy, Passaic Preparatory Academy, or Passaic Academy for Science and Engineering.

The application and information about each academy will be released on our district website in early March. If you have additional questions, please contact your child's teacher. Thank you for your support.

Sincerely,

Ronald C. Newman
Director of Planning, Research, and Evaluation
