Selection of Vendor

The vendors selected have provided services to the district in the past. Although some the recommended vendors did not propose the lowest fee schedule, the panel feels that the experience and reliability of these vendors gave confidence to their selection of these agencies to provide services for the 2019-20 school year. The selection of multiple vendors provides choice of assignments so as to have different vendors provide the evaluations and the therapy to the greatest possible extent.

The term of contract will be from July 1, 2019 through June 30, 2020.

Erlinda R. Arellano, School Business Administrator/Board Secretary, certifies the availability of funds.
