Dear Students,

The Handbook and Code of Student Conduct is to help you learn about our school procedures and provide information to you and your parents about our school. It is important to review this handbook with your family, and ask your teachers questions that you have about anything written in the pages that follow. Most importantly, continue to be a great citizen and student. I look forward to seeing your continued contributions to our school.

Grade Information

1. For English as a Second Language (ESL) students, the teacher is to identify the level of mastery the student has attained, as described in the English as a Second Language (ESL)/Bilingual Programs policy.
2. All teachers will record grades in a numerical form, unless using a performance indicator as described above.
3. In order to effectively facilitate the conversion of grades from a 0-100 point scale to a 0-4.33 scale, a grade of 55 is the lowest grade that will be recorded as a marking period grade. For the purposes of the conversion, the electronic grading system will automatically convert a marking period grade below a 55, to a 55.
4. While 55 is the lowest marking period grade recorded on the report card, teachers may record grades lower than a 55 in their electronic grade books.
5. The final exam grade will reflect the actual score earned by the student.
6. The final course grade will be the actual number calculated by the electronic grade book, as described above, in Section above titled Grades.
7. The report card will show grades in both letter and numerical form, as aligned to grade chart above. Transcripts will consist of letter grades only.
8. The grade point average will be calculated based on the letter grade as identified in the chart above.
9. The cumulative grade point average will be calculated at the conclusion of the 9th, 10th, and 11th grades. In 12th grade it will be calculated at the conclusion of the second marking period/first semester and at the conclusion of the school year.
10. Students may request a manual calculation of their grade point average at anytime after the first marking period in 9th grade. In order to receive this calculation, students must contact their guidance counselor and follow the appropriate process. This will constitute an unofficial grade point average.

The Grading and Reporting Policy (File Code 6147.1) and its accompanying regulations may be viewed in its entirety at the board Administrative offices or on our website:

www.passaicsschools.org

Physical Education Excuses

A medical excuse from participation in Physical Education class must be brought to the school Health Office, where a nurse will approve the note and inform the teacher. Students will be required to attend a class with an appropriate assignment. Students who have a medical excuse for physical education may not participate in athletics.

PowerSchool Portal

Parents/Guardians will be provided with access to their child's grades, attendance, and progress information by accessing the web-based parent portal. Information will be sent to parents so that they have access codes to this information. Any parent who has difficulty accessing their child's records should contact the principal. Students will also have access to their academic and attendance records.

Promotion and Retention

The Passaic Board of Education recognizes that personal, social, emotional, physical and educational growth of children will vary and that they should be placed in the educational setting most appropriate to their needs at the various stages of their growth. The standards for student promotion and retention are critical to the success of Passaic students.

Promotion

Criteria for promotion includes, but is not limited to:

1. Evidence of satisfactory student performance, including grades; work samples; district assessments and tests, and individual class assignments and tests/assessments will be used to determine student grades in a subject, in accordance with the Grading and Reporting policy. Such coursework may include the following:
 - i. Writing portfolios demonstrating progress over the academic year;
 - ii. Benchmark assessments demonstrating satisfactory understanding of grade level standards;
 - iii. Completion of classroom assignments and projects; and
 - iv. Teacher observations and notes relevant to student progress, such as running records and anecdotal notes.
2. An average of 63, letter grade "D", or indication of "Satisfactory Progress/Meeting Standards" shall be considered a passing grade.
3. Parents and students will be provided a minimum of four reports each year as to a student's progress towards meeting promotion standards.

Intervention Programming

1. Intervention opportunities must be offered to students averaging below a 70, or letter grade C-.

2. Intervention opportunities may be offered during the school day, before or after school, on Saturdays, and/or during the summer.
3. Students who do not attend the appropriate before or after school, Saturday, or summer intervention programs may not be eligible for promotion.
4. Participation in intervention programs does not guarantee promotion; and
5. The retention review committee may include participation in intervention programs as criteria for promotion.

The Promotion and Retention Policy (File Code 6146.2) and its accompanying regulations may be viewed in its entirety at the board Administrative offices or on our website: www.passaicsschools.org

Student Attendance

The Passaic Board of Education believes that the regular attendance of students in each class and in school in general is critical to its educational mission.

Attendance

In order for the board of education to fulfill its responsibility for providing a thorough and efficient education for each student, the complete cooperation of parents/guardians and students is required to maintain a high level of school attendance.

The frequent absence of students from classroom learning experiences disrupts the continuity of the instructional process and limits the ability of students to complete the prescribed curriculum requirements successfully. The following rules shall apply for student absences:

1. A student shall be considered absent from class for tardiness in excess of one half of the total class period;
2. A student shall be considered absent from school for participation in less than 4 instructional hours during the school day.

Parents/guardians are responsible for notifying the principal or his/her designee no later than 8:45 a.m. on the day when a child will be absent and for informing the principal or his/her designee of the reason for the absence. A written statement from the parent(s)/guardian(s) of students under 18 years of age will be required on the day the student returns to school. The written statement must be dated and signed by the parent/guardian, with the reason(s) for the absence(s). Students 18 years old or older may write their own note explaining the reason for absence from school. The absence of a student without proper notification or written excuse shall be sufficient reason for a home inquiry by an attendance officer.

A student must be in attendance for 164 of the 182-day school year in order to be considered to have successfully completed the instructional program requirements of the grade/course to which he/she is assigned.

A pattern of absences is persistent if there is an accumulation of five to nine unexcused absences in the course of the school year.

Eighteen (18) absences, excused or unexcused, will require a review by the attendance review committee to determine satisfactory completion of course requirements. Excused or unexcused, a student may be denied individual course credit when the number of absences exceed 18 in a specific course.

A waiver of these attendance requirements may be granted for good cause by the school principal upon recommendation of the attendance review committee, appointed by him/her, and comprised of the principal and/or his/her designee, the school guidance counselor, the school attendance officer, and one or more grade level teacher(s).

In recommending the granting of a waiver of this attendance requirement, the attendance review committee shall consider the nature and causes of all absences rather than only those in excess of the 18 days. Documentation of the nature and causes of these absences shall be the responsibility of the student and parent/guardian. The absence of documented parent/guardian notes, doctor's notes, and other records that verify that an absence was excused according to board policy shall be considered unexcused. Unexcused absences shall count toward truancy and may be subject to loss of grade or course credit toward promotion or graduation and disciplinary actions according to the code of student conduct. Notes from parents/guardians shall be considered but the district may require additional documentation such as doctor's notes or other official records to verify the note.

The school/district reserves the right to verify the stated reasons for all absences.

Tardiness

The orderly conduct of class activity depends upon the prompt and precise beginning of the program. Tardiness hinders the proper conduct of school activity. Students are expected to arrive to school and class on time.

Definitions

"Attendance" is a student's presence in school and in the classroom to which he or she is assigned at the times scheduled for instruction or other school activities. A student not present in school because of his or her participation in an approved school activity, such as a field trip, meeting, cooperative education assignment, or athletic competition will be considered to be in attendance.

"Late arrival" means the arrival of a student after the beginning of the student's school day for an excused purpose.

"Early dismissal" means the release of a student from school prior to the end of the school day for an excused purpose, and includes the release of student for a period of time during the school day.

"Tardiness" means the student arrives to his/her assigned homeroom/class period after the bell rings without approval.

"Truancy" is a student's absence from all or part of the school day without the knowledge of the student's parent.

An absence shall be considered an "excused absence" for the purpose of determining promotion, retention, truancy, grades, course credit, eligibility to make up missed assignments and tests for full credit, and violations of the school code of student conduct for attendance, for the following reasons:

1. The student's illness;

2. Requirements of a student's individual health care plan;
3. A death or critical illness in the student's immediate family, or others with permission of principal;
4. Quarantine;
5. Observance of the student's religion on a day approved for that purpose by the State Board of Education;
6. Religious holiday;
7. The student's suspension from school;
8. Requirements of the student's Individualized Education Program (IEP);
9. Alternate short or long term accommodations for students with disabilities;
10. The student's required attendance in court;
11. Interviews with an admissions officer of an educational institution;
12. Necessary and unavoidable medical or dental appointments that cannot be scheduled at a time other than the school day;
13. Such good cause as may be acceptable to the principal.

An "unexcused absence" is a student's absence for all or part of a school day for any reason other than those listed as excused above. An unexcused absence may be counted toward retention, truancy, loss of course credit, ineligibility to make up missed assignments and tests for full credit, and violations of the school code of student conduct for attendance. Absence is expressly not excused for any of the following reasons (this list is intended to be illustrative and is not inclusive):

1. Family travel;
2. Performance of household or babysitting duties;
3. Other daytime activities unrelated to the school program;
4. Leaving school without permission when school is still in session; and
5. Being present in school but absent from class without approval. Such an absence from class is identified as a "class cut".

Class Cuts

Students that are present in school but absent from class without approval will have the absence marked as a class cut. Consequences for accumulated occurrences of class cuts may include:

1. Loss of eligibility to participate in co-curricular activities, including athletics, clubs, field trips, and/or graduation activities;
2. Loss of credit for the course (18 cuts);
3. Mandatory conference with the parent/guardian;

Late Arrival and Early Dismissal

The board recognizes that from time to time compelling circumstances will require that a student be late to school or dismissed before the end of the school day.

As agent responsible for the education of the children of this district, the board shall require that the school be notified in advance of such absences by written request of the student's parent/guardian, which shall state the reason for the tardiness or early dismissal. Justifiable reasons may include:

1. Medical or dental appointments which cannot be scheduled outside of school hours;
2. Requirements of a student's individual health care plan;
3. Requirements of the student's Individualized Education Program (IEP);
4. Alternate short or long term accommodations for students with disabilities;
5. Medical disability;
6. Motor vehicle driver's test;
7. Interview for college entrance or employment;
8. Family emergency;
9. Court appearance;
10. Such good cause as may be acceptable to the administration.

The Attendance Policy (File Code 5113) and its accompanying regulations may be viewed in its entirety at the board Administrative offices or on our website:

www.passaicsschools.org

Academic Eligibility for Athletics

Students will be allowed to participate in middle school athletic programs for their age or grade if they are currently earning passing grades in 75% of their scheduled courses. Students who are consistently late and/or have unexcused absences may be removed from an athletic team.

Working Papers

State law requires that persons 14 to 18 years of age obtain employment certificates, known as working papers, in order to accept part-time or full-time employment. Both working papers and information outlining the procedure to follow in obtaining an employment certificate may be obtained in the main office. Return all completed forms to the main office.

Administration of Medication

The parent or guardian must provide a written request for administration of any medication to a student in school. These written requests must be provided to the school from a medical doctor. They must detail the diagnosis or type of illness involved, the name of the drug, the dosage, and the time of administration. The medication should be brought to the school in its original container, appropriately labeled by the pharmacy or physician. The school will provide safe storage of medications. Only the school nurse or the parent/guardian may administer medication in the school.

Counseling Services

In an effort to meet the needs of our students, a variety of counseling services have been established in the Passaic Public Schools with the goal of assisting students in developing their own personal, educational, and career/vocational life choices.

School counselors provide parents and students with assistance in areas such as academic planning, college and career exploration, personal and social counseling, and financial aid and scholarship information. A Student Assistance Counselor (SAC) is available to students and their families for crisis intervention and assistance with substance abuse.

Other resources available to assist students with specific facets of their academic and personal growth are social workers, Child Study Team members, and the Intervention and Referral Services Committee. These resources work in coordination with other counseling services to address specific student concerns and help ensure that all students have a successful high school experience.

Health Services

A staff of professionally certificated nurses provides basic first aid and emergency medical care for health issues that occur during the school day. Parents/Guardians are required to notify Health Services of any health related condition that may impact a student at school.

Immunization Verification

New Jersey State Law requires proof of immunizations prior to enrollment in school. For questions regarding immunization, please contact:

Mr. Edward Rowbotham, Supervisor of Health Services, 973.470.5500, x5217
erowbotham@passaicschools.org

Notice of Nondiscrimination

The Passaic Board of Education directs that all students shall be afforded equal educational opportunities in accordance with the law. Applicants for admission and employment; students, parents, employees, sources of referral of applicants for admission and employment; and all unions or professional organizations holding collective bargaining or professional agreements with the Passaic Public Schools are hereby notified that the Passaic Public Schools does not discriminate on the basis of race, color, creed, ancestry, marital status, sexual orientation, gender, socio-economic status, national origin, religion, age or disability, in admission or access to, or treatment, or employment in, its programs and activities.

In addition to the above, Title VI, 42 U.S.C. §2000d, specifically requires that all vocational opportunities be offered without regard to race, color, national origin, sex or disability.

Section 504 Accommodations

Section 504 of the Rehabilitation Act and the Americans with Disabilities Act (ADA) applies to the Passaic Public Schools, its programs, services and activities. Federal law requires that the Passaic Public Schools evaluate, identify, and provide free appropriate education to all students who are individuals with disabilities under federal law and reside within the district. Parents/guardians of these individuals are entitled to procedural safeguards, including individual notice and an impartial hearing. Under federal law, “an individual with a disability” is defined as a person who:

1. Has a mental or physical impairment which substantially limits one or more major life activities; or
2. Has a record of such impairment; or
3. Is regarded as having such an impairment.

Sexual Harassment

Pursuant to Title IX of the Education Amendments of 1972, 20 U.S.C. § 1681 *et seq.* and its enabling regulations, the Passaic Public Schools may not discriminate on the basis of gender or sexual orientation in the educational programs or activities which it operates. Title IX also prohibits sexual harassment. The Passaic Public Schools will not tolerate sexual harassment in any form. The Passaic Public Schools shall assure that all students are free from sexual harassment.

Sexual harassment is unwelcomed, unwanted sexual advances, sexual suggestions, requests or demands for sexual favors, and/or other inappropriate verbal or physical conduct made by a staff member, student or outside vendor to a student when that conduct is based on gender, sexual orientation or affectation, has the purpose or effect of interfering with the person's performance or creates an intimidating, offensive or hostile environment. It includes gestures, jokes, remarks, stories, graffiti, rumors, touching, grabbing, exposing, unwanted kissing or other sexual conduct.

Any student who has experienced sexual harassment should inform the offender that the behavior is unwanted and unwelcomed, and immediately inform a teacher, counselor, or administrator. The staff member to whom the student reports the harassment should immediately inform the Affirmative Action Officer:

Attendance at Non-curricular School Sponsored Events

Students must be in attendance the day of any school sponsored social event. Any student who is suspended on the day of a social event may not be present at the social event. Students who have demonstrated consistent disregard for the Code of Student Conduct may be disqualified from participating in a social event.
