

Policy

DISPLAY OF THE FLAG

The Board of Education believes that the flag of the United States is a symbol of the values of our nation, the ideals embedded in our Constitution and the spirit that should animate our district.

The district shall purchase a United States flag, flag staff and the necessary appliances for its display upon or near every school building. There shall be a flag on display in every assembly room of every school.

The only flags that are permitted to be raised at district school and administrative buildings shall be the United States flag and the flag of the State of New Jersey.

Each high school in the district that currently has a school-specific flag, may fly their approved school flag in addition to the United States flag and the flag of the State of New Jersey.

The flag(s) shall be flown at full- or half-staff pursuant to law.

Consistent with national and state law and regulations and this policy, the Superintendent of Schools shall develop rules and regulations for the proper custody, care and display of the flag(s).
