

Pablo Muñoz  
Superintendent of Schools

April 28, 2020

Dear Students, Parents, and Staff:

I would like to start this letter by recognizing the ongoing work of our students, parents, educators, and support staff as we work together to support student learning throughout the closure.

Our thoughts and prayers are with all of the members of our community who have suffered a loss due to COVID-19, and those who continue to fight this terrible virus.

The purpose of this letter is to provide you with an update on the plans for home-based instruction.

In accordance with Governor Murphy's guidance issued on April 27, 2020 the district is planning to continue home-based instruction until Governor Murphy directs schools to reopen.

For students in PreK through Grade 8, we will be entering Phase III of the instructional packets, resources for instruction for May 11 through June 1, 2020 are being mailed to your homes. We realize that the mail is a slower option, and ask for your patience and understanding regarding any delays in receiving the materials. If you do not receive a packet in the mail by Thursday, May 14, 2020, please contact your child's homeroom teacher. The instructional information will be available at [www.passaicschools.org](http://www.passaicschools.org) for students and families beginning Thursday, May 7, 2020.

Thank you for being a part of our learning community. I wish you all health, safety, and strength.

Sincerely,  
*Pablo Muñoz*
