Dear Staff,

Please be advised that as per the NJDOH COVID-19 Activity Level Report, week ending January 19, 2023, the Covid-19 Community Level in Passaic County is Medium. As per our Board Policy No. 5141.10, during periods of Medium Activity Level, **mask wearing is not required**. Therefore, effective Monday, January 23, 2023, the mask mandate will be lifted, and mask wearing will be optional.

We will continue to monitor the NJDOH COVID-19 Activity Level Report for the most current information.

Thank you for your cooperation.

Please stay safe.
